

# Powerful Peers

## Teacher Recognition Program

Sponsored by

What does it mean to be “Powerful?”

- *potent; efficacious*
- *having great effectiveness, as a speech, speaker, description, reason, etc.*
- *having great power, authority, or influence; mighty*

Who do you know that is a **POWERFUL PEER**? Who inspires you, is a mentor / role model for teaching, goes out of his or her way to help their fellow teachers, etc.

**Nominate an inspiring co-worker for SPEF’s 2020 “Powerful Peers” Teacher Recognition Award! Five recipients will be selected and announced the first week of school!**

**Each of the five winners will receive \$100 from SPEF!**

- ◇ Nominations must come from a fellow SPS teacher (principals, administrators & parents are not eligible to nominate)
- ◇ Each teacher may only nominate one peer; the same teacher may be nominated by multiple co-workers, but an individual teacher may not submit more than one name for consideration

Email nominations to [spef@stillwaterschools.com](mailto:spef@stillwaterschools.com) by 5:00 p.m. on Friday, August 7, 2020 with “2020 Powerful Peers Nomination” written in the subject line. Please include:
